We have GREAT NEWS to share with our patients. . . Take Control of Your Psoriasis!

In our on-going efforts to bring cutting-edge technologies to our patients, XTRAC® Laser Therapy is now available at our office. Patients can enjoy long lasting, effective relief from the painful symptoms of psoriasis in just a few short treatments, including hard to treat areas such as **scalp, hands and feet**.

SOME BENEFITS OF XTRAC LASER THERAPY:

- Pain free, safe, and treats only affected areas, sparing healthy tissue
- Noticeable improvement after a few short treatments
- Long lasting relief. . . some patients remain in remission for one year or longer
- **Covered by ALL major insurance plans, including Medicare**

Call us TODAY to schedule an
 XTRAC consultation!
